Portland House Wish List

Every day, up to 32 families call the **Ronald McDonald House** in Portland their home-away-from-home while their child receives medical care. Donated items allow us to focus our budget dollars on the most critical needs of the children and families staying with us.

Our staff and volunteers regularly inventory our pantry and cleaning closet, updating this list monthly.

Thank you so much for helping keep our programs stocked for families in need!

Top Urgent 5 Needs
